ORANGE MACHINE LEARNING MINGGU 1

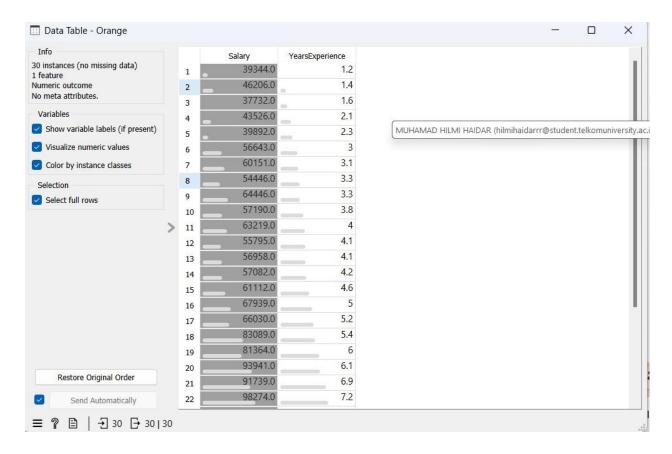

Nama: Nicholas Alvito Diandra

NIM: 1103210207

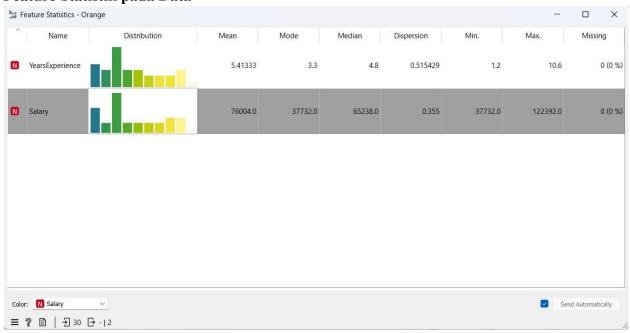

1. Upload File lalu setting Role parameternya

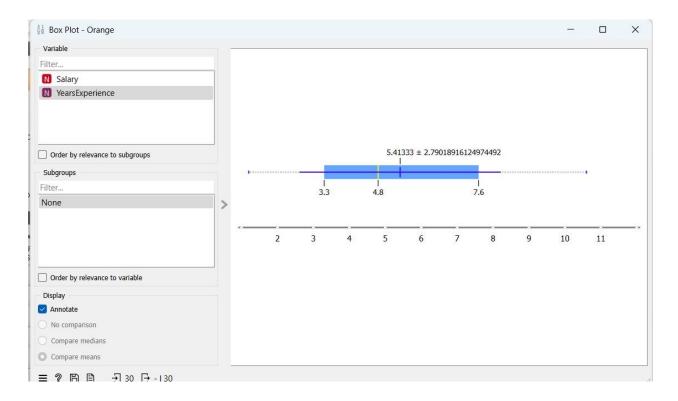

2. Load Data dalam bentuk Table

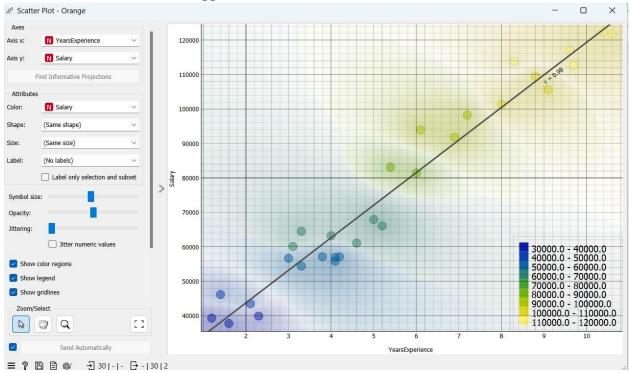

3. Feature Statistik pada Data

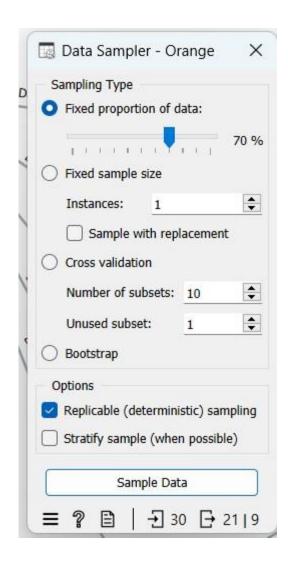

4. Memvisualisasikan data menggunakan BOX PLOT

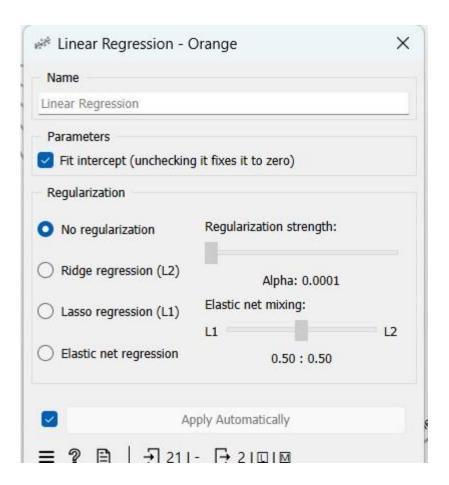

5. Memvisualisasikan data menggunakan Scatter Plot

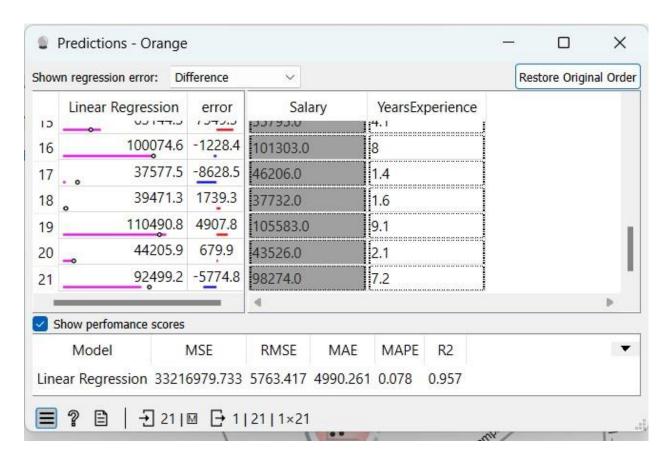

6. Membagi data menjadi 70% training dan 30% testing

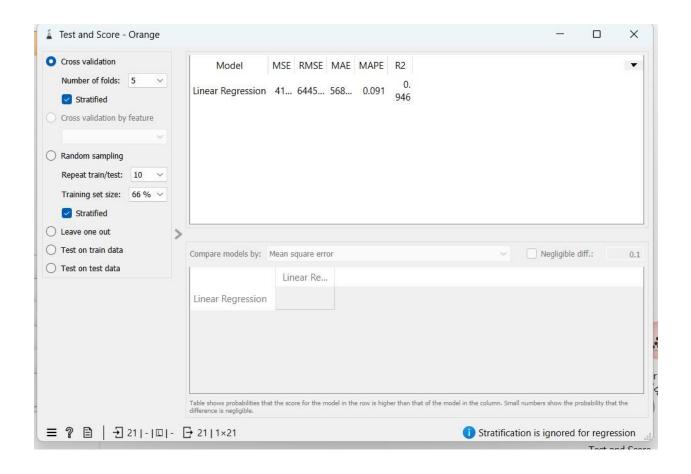

7. Memuat Model Linear Regression

8. Melakukan prediction menggunakan data sample dan model linear regression

 $9. \quad Melakukan \ evaluasi \ model \ dengan \ melihat \ nilai \ RMSE \ , MSE, MAE, R2$

10. Memvisualisasikan hasil prediksi model di test data menggunakan scatter plot
